THIS AMERICAN IS GOING HOME TO GREECE

Join the American Hellenic Institute in its ongoing effort to elevate awareness of the importance of visiting Greece by sporting the “American is Going Home” t-shirt around your community.

AHI worked with the original designer, George Lois, to re-launch this popular t-shirt with “the best marketing slogan ever created for Greece,” according to AHI President Nick Larigakis. Lois designed the t-shirt exclusively for AHI.

The t-shirt features the famous slogan along with a silver tetradrachm coin minted during the reign of Alexander the Great that depicts Herakles on the obverse and a seated Zeus on the reverse.
